The **largest sting operation the world has ever seen**, **Fauci** is now caught for his involvement in the virus.

The Clinton Foundation is back in the news.

Robert S. Harrington ...

“Chinese Spy” ... Swallwell JFK warned about member of same Secret Society

"The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings."

JFK warning Americans of Secret Societies / Bobby Kennedy working with Sen Joe McCarthy's Committee

Joseph Kennedy had befriended **McCarthy** because he found him to be a likable fellow Irish-Catholic who had all the right ideas on the domestic communist menace. These warm feelings were quickly transferred to the entire Kennedy family.

JFK liked the fact that **McCarthy** went after the "elites" in the **State Department** whom **JFK** regarded with contempt. Even before **McCarthy** made accusations against the State Department of subversion, **JFK** had already aligned himself with the **militant anti-communists** who blamed the **Truman State Department** for the **"loss" of China**. So **JFK** declared on the House floor in **January 1949**.

"The responsibility for the failure of our foreign policy in the Far East rests squarely with the White House and the Department of State."

Bicameral Treason Both Senate and House are Penetrated

Rep. Eric Swalwell spoke at an event in 2013 along with a former staffer for **Sen. Dianne Feinstein** who is said to have spied for the Chinese government. **Russell Lowe** was recent speaker in **Panattstan** at the **University of California Santa Cruz**.

The group that hosted **Swalwell and Russell Lowe**, the **Feinstein** staffer, was led by espionage agent **Christine Fang**, who herself is alleged to have worked as a **Chinese Communist secret agent** from 2011 to 2015 Speaking in **Panettastan**.

Spy Fang Fang developed close ties to **Swalwell**,

Axios reported this week. **Chinese spy** raised money for his political campaigns and **planted an espionage agent as an intern** in the political **whore Swalwell's office**.

California Rep. Eric Swalwell, whose contacts with a Chinese spy were revealed this week, spoke at the same event in 2013 as another alleged Chinese agent who worked for decades for **California Sen. Dianne Feinstein**.

The event was hosted by the group led by **Christine Fang**, a **spy Chinese Communist** whose relationship with **Swalwell** was the subject of a report published by **Axios**.

The **California State University, East Bay Chinese Student Association** hosted both **Swalwell and Russell Lowe** (spy), who then worked for **Feinstein**, at an event to commemorate the Chinese Lunar New Year on **Feb. 9, 2013**, according to the group's Facebook page.

Photos from the event show **Swalwell and Lowe** speaking to a group of dozens of students at the event. The photo of **Lowe** shows him holding what appears to be a **letter** that **Feinstein** wrote to the student group for its celebration.

The association posted **a photo of the letter** from **Feinstein** on its Facebook page. The dopey **Swalwell** (like the inapt **Anthony Weiner**) posted **a photo** of himself at the event on his Twitter account.

Feinstein has been working with Chinese spy Russell Lowe for decades. The **Globalist run media** has **covered it up**.

Swalwell's office did not respond to a request for comment

on whether he knows **Lowe**. **Right!**

Politico **reported** in 2018 that a staffer for **Feinstein** had for years provided political intelligence to Chinese officials. He **operated at the direction of officials in the Chinese consulate in San Francisco**, according to **Politico**.

Feinstein (Trilateralist) who is a longtime member of the **Senate Intelligence Committee**, issued a statement at the time saying that the **FBI had briefed her about the staffer (Russell Lowe)**. She said that the employee did not have access to any classified information, and that he left her employ after the **FBI** briefing.

Lowe was described as a driver for Feinstein, but he was also a liaison between her office and the Asian-American community in the Bay area. He attended functions at the Chinese consulate in **San Francisco, which has long been known as a hotbed of Chinese spy activity**.

The **Daily Caller News Foundation** identified **Lowe** in 2018 as the likely Chinese agent working in Feinstein's office. **(RELATED: All Signs Point To One Man As Chinese Spy On**

Feinstein's Staff) **Lowe** attended events at the **Chinese Consulate** on behalf of **Senator Feinstein** her husband has business with **Red China**.

A photo in the **DCNF** story shows **Lowe** at an event hosted by the **Chinese Student Association** on Sept. 22, 2011, along with an unidentified woman and an official seemingly affiliated with the **Chinese consulate**.

Lowe attended a farewell party for **Consul General Gao Zhansheng** on March 12, 2013, **according to the consulate's website**.

It is unclear whether Lowe and Fang were aware of the others' alleged work for the Chinese government.

U.S. intelligence officials told **Axios** that **Fang** worked covertly for **China's Ministry of State Security**, its main spy service, from 2011 to 2015. **Feinstein's staffer worked on behalf of the same spy service**, **Politico** reported.

Fang cozied up to multiple **California politicians**, including **Swalwell**, Rep. **Ro Khanna** and Rep. **Judy Chu**, according to **Axios**.

Congressman Ro Khanna, and **NIH Director Dr. Francis Collins**.

Could it be **Red China friendly Ro Khanna** is in on the **FINAL SOLUTION** ... mandatory vaccinations for the **Wuhan Virus**?

Spy Fang first met **Swalwell** when he served on the city council in **Dublin, California**. According to **Axios**, she raised money for **Swalwell's congressional reelection campaign in 2014** and placed an intern in his congressional office.

Eric Swalwell is a member of the anti- God, one world government advocates who belong to deadly secret societies.

Quill and Dagger is a senior honor society at Cornell University. Is one of the most prominent societies of its type, along with **Skull and Bones** and **Scroll and Key** at Yale University.

For example, six symbols appear on shields around the top of the **Quill and Dagger Tower**.

The east and west sides of the **Tower depicts** four historic variations of a cross: the Latin cross, Saint Andrew's Cross, **swastika**, and Maltese cross.

Swalwell was briefed by the **FBI** about **Fang's Mao activity in 2015**. He said he cut off all contact with her after the briefing. **Fang** skipped the country in mid-2015.

Swalwell has refused to discuss the extent of his relationship with **Fang**, who **Axios** reported had **romantic affairs** with the **mayors** of **two cities** in the **Midwest**.

Swalwell initially said **he could** not talk about the matter **because some of the details remain classified**. Right!

Swalwell (w / political bedfellow **Bang Fang Spy**) ... worked with Imprisoned **Ed Buck** ... one of his financial backers.

California Congressmen **Adam Schiff** and **Ted Liu** selected by **Pelosi** for the Intelligence Committee.

The chair of the Congressional Asian American Caucus (CAPAC), Rep. **Judy Chu** of California

Ed Buck has rolled out several dead male prostitutes from his abode ... the last victim lived escaping with a needle in his arm. **Buck** is connected with the **Atlantic Council** part of the Coup ... **International Blackmail Ring / Standard Hotel**). Add ... **Jeffery Epstein** ... **John Roberts** and suspected and unknown multiple Senators and Congressmen.

Ed Buck and his connections should no longer be **willfully ignored** by the still in place **Hegelian Right**. (Fox / Heritage / Hillsdale / News-Max / Multiple Tea Parties) ... one must dig a little deeper and create your own communications. Always reserve judgment for yourself.

Ed Buck financed ... **Congressmen** on the **American Congressional Intelligence Committee** (**Congressman Adam Schiff, Ted Lieu**) but also multiple elected local offices throughout Southern California ... recipients.

Blackmail / No Less than **Jeffery Epstein / Jim Jones / Ed Buck** ... are forces exercised

by the Globalists. **Rockefeller's Trilateralist, Senator Dianne Feinstein's office** did not respond to a request for comment. **A non-profit group that Lowe co-founded in San Francisco** after leaving Feinstein's office

San Francisco is a cesspool of **Beijing-backed corruption, subversion, and espionage Harry Bridges.**

There needs to be a thorough public investigation into **Chinese regime influence in San Francisco** and its spreading tentacles into **Sacramento** and **Washington.**

Spy **Russell Lowe** is welcome and honored in **Panettastan.** .

In all four hotel ballrooms, there were vodka-soaked parties for the Russians, many of them hosted by an **attractive San Francisco heiress** who so loved the Socialist cause she took the local **K.G.B.** station chief as **her lover.**

The fixture of the Communist party scene was **Mitford's friend Louise Bransten**, a Bay Area

hostess who spent part of her fortune on the Communist cause and helped organize parties for the Russians at the **St. Francis.** Rich, charming and divorced, **Bransten** was quite the catch. (The future New York **Republican Marxist Jacob Javits** met her at the **Fremont hotel** in San

Francisco, attending a conference as an observer, (was set up on a blind date with her.)

The Americans commandeered the best suites in the **Fairmont Hotel**, but the **St. Francis**, home to the Soviet delegation, was the hottest ticket in town. In all four hotel ballrooms, there were vodka-soaked parties for the Russians, many of them hosted by **Louise Bransten.**

The Russians were America's feted allies, so **Vheslav Molotov**, **Stalin's** stolid deputy — an apparatchik so bland that **Lenin** once called him a "filing clerk" — was the man of the hour, lionized like a movie star and hounded for autographs.

Even **Hedda Hopper**, the gossip columnist who went on to browbeat blacklisted Hollywood stars, fell under his spell, pronouncing **Molotov** "charming" and likening him in her column to **Teddy Roosevelt** (probably because they both wore pince-nez).

The conference was "**Grand Hotel**" on the bay. Everyone who mattered, then or later, darted through the revolving doors: besides **Molotov**, **Winston Churchill's** delegate, the future British prime minister **Anthony Eden**, and President **Harry Truman's**

secretary of state **Edward R. Stettinius** **Skull & Bones** rubbed shoulders with show business royalty like **Communist Paul Robeson** and Orson Welles.

The recently widowed **Eleanor Roosevelt**, later a key author of the **United Nations' Declaration of Human Rights**, made

small talk with politicians and policy makers like **Nelson Rockefeller**, **Adlai Stevenson**, **Averell Harriman (Skull & Bones)** and **John Foster Dulles (founder of the Council on Foreign Relations)**.

The secretary general of the conference, the man in charge of getting all these notables position papers and *hotel rooms*, was **Alger Hiss**.

Skull & Bones Harriman and Stalin

One newspaper called **Louise Bransten** the "**Red-Handed Heiress**. **Branstein's** reputation became so radioactive that even the **Ripon Society Republican** member **Javits** had to account to Congress for his fleeting association with her.

In 1948, **Alger Hiss** (**First Secretary General** of the **UN** was formed in San Francisco. was denounced before the House Un-American Activities Committee as **a spy**. **Hiss** was convicted of lying about his Communist Betrayals ... in 1950.

Louise Bransten later moved from **San Francisco** to New York City. Shortly after moving to New York, she established contact with **Pavel Mikhailov**, who at the time was head of **Red Army Intelligence'** activity in the New York area.

Bransten, also married **Lionel Berman**, a **Communist Party** official.
